## GDCG/OTC Golf Outing

On Monday, August 8, GDCG/OTC held its annual golf outing at Walnut Grove Country Club, hosting the largest field in the event's eight-year history. Forty teams competed in the four-man scramble format, with 160 golfers partaking in either a morning or afternoon session.

At the end of the day, trade partners, vendors, and sub-contractors from both sessions gathered in the main dining area for food, drinks, and outing awards. Those listed below walked away with hardware from the round:

### 1<sup>st</sup> Place: Kingsolver Construction

- Adam Kingsolver - Tom Ferguson
- Howard Boxley - James Boxley

### 2<sup>nd</sup> Place: Sibco Building Products

- Gary Lytle - Scott VanHorn
- Andy VanHorn - Greg Thompson

### 3<sup>rd</sup> Place: Ohio Valley Fire Protection

- Mike Alfred - Don Kiley
- Jeff Haynes - Kevin Winnan

The “Long Drive” skill hole was credited to Tony Meek (Building Specialties), with Craig Shamp (HD Supply) garnering the “Closest-to-the-Pin” honors.

The final award of the evening, honoring the team “Having the Most Fun,” was given to the New Industry Standard foursome of Marcus Lynch, Steve Cole, Bill Kirkland, and Becky Smith.

A special thanks to Brian Tyra and the rest of the Walnut Grove Staff for again creating an enjoyable outing to mark the winding down of the summer build season.

## Office Addition / Renovation Complete

Front Lobby / Reception Area After Office Renovations—

After the Phase I Addition that added 2,560 sqft of warehouse/multi-purpose space, GDCG has completed Phase II of interior renovations to its home office in Beavercreek, OH.

The interior renovation is highlighted by a host of increased amenities, including four newly-remodeled baths, a facelift in the existing kitchen/break area, and the addition of a secondary kitchenette to serve the newly expanded office spaces.

Functionally, the existing portion of the building—previously occupied by cubicles—was transformed into 11 permanent office spaces with additional workspaces for the warranty/service department.
